

Welcome

Welcome to Princeton Alliance Church.

A while back, we looked at why David was called a man after God's own heart. No one earns such a title. It comes through a path of grace, surrender, obedience and struggle. This summer we are taking eight weeks to discover that path. We will look at eight Psalms David wrote to uncover his raw path of redemption with the purpose of relating that path to our own.

This is a great series for the summer as each week is a self-contained lesson. But if you manage to get all eight, your growth curve could be amazing.

Take out a pen. Our next stop is Psalm 101.
