Dear Grandma & Grandpa Smiley,

This summer should prove to be one of the most exciting and fulfilling experiences of my life. I am writing to tell you about how God has provided me an awesome opportunity to experience Christ moving in the most powerful way at the LIFE 2010 conference! As you may already be aware, I am presently attending Princeton Alliance Church and I am a member of the Crossroads Student Ministries. LIFE 2010 is the ultimate nationwide high school summer conference with an estimated 7,000 people attending. I know that I will encounter God in a powerful way on this trip. My desire is to see my life changed continually to be like Christ and this trip will be a great part of that but I need your help. I am writing you because I cannot prepare for this trip entirely on my own and I need to build a support team for this trip. I am asking you to be a part of that team.

There are two ways that you can help me prepare for a successful experience. The most important thing you can do for me is pray. I know that my life cannot be changed without prayer. I would ask that you commit to praying for me starting now and each day I am at this conference so that I can reach my goal of encountering God. I cannot reach my goals without your prayer support. My desire is to be covered for that entire week by people who will pray for me as well as every other student attending this trip.

The second way that you can support me is by giving to Princeton Alliance Church in my name. **I am responsible for raising \$950** through gifts from friends and family before I go. **This sum is due by June 13, 2010.** I am confident God will provide for me as my July 5th departure date approaches. Your donations will help cover the costs of transportation, food, lodging, training, and other related ministry expenses.

Princeton Alliance Church expects to send 100 to Louisville, Kentucky from July 5 - 11, 2010. Our team of students and adults together will arrive in Kentucky prepared to **experience Christ like never before** and to return with a **life-changing understanding of what it means to live for Christ.**

God is a God of power and I believe that He is going to do amazing things through us this summer! Thank you for your time and support!

Sincerely,
