Parent Name _____ Parent Phone _____

Crossroads Student Ministries (CSM) does not want a student to miss an event due to insufficient funds. On occasion, a family may have financial need. The primary way we seek to meet this need is encouraging the student to earn the money needed for the event on his/her own (babysitting, cutting lawns, etc.). This teaches responsibility and develops ownership. If you have depleted your resources, we have scholarship money that is both budgeted and donated to meet special needs. However, **no student is 100% funded or receives funds without working for it.**

Please answer all questions below.

What event are you having trouble funding?

Why do you need a scholarship for this event/trip?

Who have you sent letters to or sought support from?

How much have you received from supporters?

What work have you done to raise funds?

How much have you received from these jobs?

How much are your parents able to give?
